

THIRD UNIVERSE

Ain't Enough Tears in This World

AL ORSOM (26.9.2025)

[Verse 1]

Unreal
Just like a dream
I can't tell the difference now
Please
Let me wake up
I cover my eyes
The truth blinds me
And all I hear are the things
The things that I don't wanna hear
Don't wanna hear

[Pre-Chorus]

And I think that
Somebody out there
Are not being fair
To me

[Chorus]

Ain't enough tears in this world
Ain't enough tears in this world
To express how I feel

[Verse 2]

Unreal
Just like a dream
I can't tell the difference now
Please
Let me wake up
I cover my eyes

[Verse 2 continue]

The truth blinds me
And all I hear are the things
The things that
I don't wanna hear
Don't wanna hear

[Pre-Chorus]

And I think that
Somebody out there
Are not being fair
To me

[Chorus]

Ain't enough tears in this world
Ain't enough tears in this world
To express how I feel

[Solo]

[C-Part]

Somebody out there
Are not being fair
Somebody out there
Are not being fair
To me

[Chorus x 3]

Ain't enough tears in this world
Ain't enough tears in this world
To express how I feel
