Angels Cry

AL ORSOM (18.5.2025)

[Verse 1]

Do you ever feel small
In this world of plenty
Don't you always get
what you wish for

[Pre-Chorus]

Well now I understand
What you are going through
Going through

[Chorus]

Now I hear angels cry
And they've got tears in their eyes

[Verse 2]

Do you ever get the feeling
Just staring at the wall
And even feel lonely
Longing for something more

[Pre-Chorus]

Well now I understand
What you are going through
Going through

[Chorus]

Now I hear angels cry
And they've got tears in their eyes

[Bridge]

Do you ever get the feeling
Just staring at the wall
And even feel lonely
Longing for something more

[Pre-Chorus]

Well now I understand
What you are going through
Going through

[Chorus x 2]

Now I hear angels cry
And they've got tears in their eyes
