

THIRD UNIVERSE

How Can It Be

AL ORSOM (2.4.2025)

[Verse 1]

We're trying so hard to change the
Cause of nature

How can we know for sure that

We know better

We're looking out for the edge now

There's no turning back

We'll have to start all over

When will we be back

[Chorus]

How can it be

That the world keeps turning

Around for you and for me

How can it be

That the world keeps turning

Around for you and for me

[Verse 2]

It's time for us to listen to

The voice of reason

And learn by the decades of thoughtlessness

Think about that

[Chorus]

How can it be

That the world keeps turning

Around for you and for me

How can it be

That the world keeps turning

Around for you and for me

[Solo]

[Chorus x 2]
