All Or Nothing

All or Nothing

by AL ORSOM

[1. Verse]

Feeling time standing still
Oh, can't feel anything – uh uhh
Time is passing by so fast
Oh, why does it hurt so much

[Pre-Chorus]

My minds play tricks on me now
My time is running out not knowing how

[Chorus]

Everytime I think of you
It's all or nothing
It's all or nothing
Yeaaah aaaih
Everytime I think of you
It's all or nothing
It's all or nothing
Yeaaah aaaih

[2. Verse]

Morning comes quiet again
Oh, yesterday has gone – uh uhh
Evenings seem dark and lonely
Oh, tomorrow I'll be dreaming again

[Pre-Chorus]

My minds play tricks on me now
My time is running out not knowing how

[Chorus]

Everytime I think of you
It's all or nothing
It's all or nothing
Yeaaah aaaih
Everytime I think of you
It's all or nothing
It's all or nothing
Yeaaah aaaih

[Saxophone solo]

[Final-Chorus]
