FWIW

FWIW

by AL ORSOM

Fifteen years of longing

Fifteen years of dreaming

Fifteen years of counting

Fifteen years of wondering

What could have been

What have we seen

I felt it too

Got in between

Fifteen years without you

Fifteen years still counting

Fifteen years never forgotten

Fifteen years of long regrets

What could have been

What have we seen

I felt it too

Got in between

[Spoken Words]

I'm still in it

For What It's Worth
