## **In The Shadow of your Heart**

by AL ORSOM

### **[1. Verse]**

I see you in my dreams  
I see you where angels live  
Oh, how can I light the way  
Oh, how can I make it through

### **[Pre-Chorus]**

My mind is playing tricks with my reality  
Would you mind sharing everything with me  
But only thing I see is the shadow of your heart

### **[Chorus]**

In The Shadow of your Heart  
It seems so unreal  
In The Shadow of your Heart  
It seems so unreal  
In The Shadow of your Heart – uuhhh  
In The Shadow of your Heart – uuhhh uhuuu

### **[Verse 2]**

I'm living in a fantasy world  
Trying to compete with myself  
Oh, why must it be like this  
Oh, all my life is blurring bliss

### **[Pre-Chorus]**

My mind is playing tricks with my reality  
Would you mind sharing everything with me  
But only thing I see is the shadow of your heart

### **[Chorus]**

In The Shadow of your Heart  
It seems so unreal  
In The Shadow of your Heart  
It seems so unreal  
In The Shadow of your Heart – uuhhh  
In The Shadow of your Heart – uuhhh uhuuu
