## NOW WE KNOW

### Now We Know (It Was Love)

by AL ORSOM

#### [1. Verse - Him]

I never thought;  
this could happen to me  
like it was meant to be  
and now I miss you - baby

#### [1. Verse - Her]

As I looked at you;  
I felt the time stood still  
all against my will  
now I miss you - baby

#### [Bridge. Both]

Now we know....

#### [Chorus. Both]

It was love  
at first sight  
in the right place  
at the right time

#### [2. Verse - Him]

Moment of truth;  
why can't I let go  
I keep on saying no  
and I don't want it that way

#### [2. Verse - Her]

Questions of mine;  
if love goes unsearchable ways  
how come we must wait for days  
it seems like forever

#### [Bridge. Both]

Now we know....

#### [Chorus. Both]

It was love  
at first sight  
in the right place  
at the right time
