## Thank You

### Thank You

by AL ORSOM

#### [1. Verse]

Woke up this morning, sunshine in my eyes  
Feeling the rhythm, ready for surprise  
You lift me higher, like a neon light  
Dancing together, everything's all right

#### [Pre-Chorus]

Every little moment, every single day  
You make the world brighter, chase the clouds  
away

#### [Chorus]

Thank you, thank you, for the love you bring  
Spinning on the dance floor, let the joy begin  
Thank you, thank you, for the way you shine  
Grooving through the night, feeling so divine

#### [Verse 2]

Laughing and singing, hearts in stereo  
You're my inspiration, just thought you should  
know  
Colors are flashing, music in the air  
With you beside me, nothing can compare

#### [Pre-Chorus]

Every little moment, every single day  
You make the world brighter, chase the clouds  
away

#### [Chorus]

Thank you, thank you, for the love you bring  
Spinning on the dance floor, let the joy begin  
Thank you, thank you, for the way you shine  
Grooving through the night, feeling so divine

#### [Bridge]

Let's keep on moving, never let it end  
With every beat, I know you're my best friend  
Thank you, thank you, for the love you bring  
Let's dance forever, let our hearts sing

#### [Chorus/Outro]

Thank you, thank you, for the love you bring  
Spinning on the dance floor, let the joy begin  
Thank you, thank you, for the way you shine  
Grooving through the night, feeling so divine
