

FAR AWAY

Far Away
by AL ORSOM

[Verse 1]
Do you ever get the feelin'
Just starin' at the wall
It is moments like these
I need you the most

[Pre-chorus]
Beware of dangers in your mind
You could easily be left behind

[Chorus]
Far away, can you tell me where to go
Far away, my mind's been playin' tricks on me

[Bridge]
I'll pull it all together
Just wait and see
Just wait and see
...wait and see

[Verse 2]
If you can't forget the past
And memories have left their mark
I know you will be ready
To let your body show

[Pre-chorus]
Beware of burn marks in your thoughts
They could easily get you out of reach

[Final chorus]
Far away, can you tell me where to go

Far away, my mind's been playin' tricks on me
I'll pull it all together
Just wait and see
...wait and see
