

Maybe

by AL ORSOM

[Chorus]
Maybe
We will meet again
Maybe
We stop holding back
Maybe
We see a clear blue sky
Maybe
Our love will never die

[Verse 1]
I'm not taking things for granted
Making my own rules
Sometimes I just feel stranded
In depth of despair

[Verse 2]
How have it come to this aching
Not knowing how to turn back
I've been places out of reach
Sorry for this breach

[Chorus]
Maybe
We will meet again
Maybe
We stop holding back
Maybe
We see a clear blue sky
Maybe
Our love will never die

[Bridge]
Oh uhh uhh, when I say maybe- there is still a chance
Oh uhh uhh, when I say maybe- a star will shine
Oh, uhh uhh, when I say maybe- will it light the way
Oh, uhh uhh, when I say maybe – waiting for a better day

[Verse 3]
I'm not taking things for granted
Making my own rules
I've been places out of reach
Sorry for this breach

[Chorus]
Maybe
We will meet again
Maybe
We stop holding back
Maybe
We see a clear blue sky
Maybe
Our love will never die

[Outro]
Oh uhh uhh, when I say maybe- there is a chance
Oh, uhh uhh, when I say maybe – waiting for a better day
