

Missing Puzzle Piece

Missing Puzzle Piece

by AL ORSOM

[Intro-Chorus]
In moments like these
I'm looking for that missing puzzle piece
In moments like these
Hoping to find that missing puzzle piece
Uhh uuuhh

[Verse 1]
Sittin' by the bay
in this late day in May
Wonder if we ever gonna meet again
and if not, I guess it's alright

[Chorus]
In moments like these
I'm lookin' for that missing puzzle piece
In moments like these
Hopin' to find that missing puzzle piece
Uhh uuuhh

[Verse 2]
Listenin' to our song
it hurts, doesn't last long
in lonely hours thinkin' of you
put puzzle really doesn't matter

[Chorus]
In moments like these
I'm looking for that missing puzzle piece
In moments like these
Hopin' to find that missing puzzle piece
Uhh uuuhh

[Bridge]
I'm searchin'
I'm lookin'
I'm longin'
For that missing puzzle piece

[Final-Chorus-choir]
In moments like these
I'm lookin' for that missing puzzle piece
In moments like these
Hopin' to find that missing puzzle piece
Uhh uuuhh
