

Sheena

by AL ORSOM

[Verse 1]
Don't know if you know I'm thinkin' 'bout you
and lost the way
Could we ever go back to what once was
and seize the day

I've got so many things we could talk about
in an easy way
I know we have lost precious time
and that's not okay

[Chorus]
Ooh, Sheena – don't hate me
Sheena – don't erase me
Sheena – just embrace it
Uuuhh uuhh

[Verse 2]
Considerin' our situation by long regrets
never should've been
But if love goes unsearchable ways
then, could it ever be

[Bridge]
Are you- like me – sittin' grievin' by the ocean
Are you- like me – sleepin' untight
Do you – like me – dreamin' of something more
Do you – like me – hopin' for better days

[Chorus]
Ooh, Sheena – don't hate me
Sheena – don't erase me
Sheena – just embrace it
Uuuhh uuhh

[Post-chorus]
Oh, Sheena – just embrace it
