

You Are The One

You Are the One
by AL ORSOM

[Verse 1]
Destiny has brought us together
Don't you feel the same
Since I saw you for the first time
I laid my eyes on you

Everybody looks upon you
Don't feel ashamed
I wish that we will be together
And don't care what they say

[Pre-Chorus]
You just got to believe me
I'll always be there for you
always be there for you
I'll always be there for you

[Chorus]
You're the one that makes me happy
Every minute every second of my life
You're the one that gives me strength
To carry on
Give me strength to carry on

[Verse 2]
I'm flyin' high in the sky
When we're together
I don't ever fear tomorrow
As long as you are here

Could this be eternity
This thing we're sharing
I hope it won't surprise you
When I say I care

[Pre-Chorus]
You just got to believe me
I'll always be there for you
always be there for you
I'll always be there for you

[Chorus]
You're the one that makes me happy
Every minute every second of my life
You're the one that gives me strength
To carry on
Give me strength to carry on

[Saxophone solo]

[Chorus]
You're the one that makes me happy
Every minute every second of my life
You're the one that gives me strength
To carry on
Give me strength to carry on
