

YOU KNOW
I LOVE YOU

You Know I Love You
by AL ORSOM

[Verse 1]
I run in circles
Around n'round 'cause of you
You got me thinkin'
The things I do
– Could they ever be good enough for you

[Pre-Chorus]
Good enough for you (Choir- for you)
What am I supposed to do

[Chorus]
You know I love you
You know I adore you
You know I love you
From the bottom of my heart

[Verse 2]
My mind is driftin' (Choir – driftin')
As time goes faster and faster in my life
I want you near me (Choir – near me)
Ain't letting no one- Changing my feelings for you

[Pre-Chorus]
Changing my feelings for you (Choir- for you)
You have to believe me that it's true

[Chorus]
You know I love you
You know I adore you
You know I love you
From the bottom of my heart

[Bridge]
What am I supposed to do
I want you near me (choir echo- near me)
You got to believe my feelings are true

[Chorus]
You know I love you
You know I adore you
You know I love you
From the bottom of my heart

[Outro]
From the bottom of my heart
