[Verse 1]
What on earth was I thinking
Lit the fire and let it be
Gonna make amens
Can you ever forgive me

[Verse 2]
Time is standing still
Although running fast
Can we forever cope
Theese thoughts will ever last

[Chorus]
Now we are left behind
Left behind
Left behind
Uhh uhuuu
-our love ran out of hand

[Bridge]

Troubles sleeping, eating, breathing
Running in circles constantly
Never should have been like this
Forever, always, endlessly

[Short-Chorus]
Now we are left behind

[Synthesizer Solo]

[Chorus]
Now we are left behind
Left behind
Left behind
Uhh uhuuu
-our love ran out of hand

[Chorus]
Now we are left behind
Left behind
Left behind
Uhh uhuuu
-our love ran out of hand
-our love ran out of hand
