[Verse 1]
Now all is said and done
I thought you were the one
May it ever be laid to rest
All that's gone from the past

[Chorus]
I'm holding a one-way ticket
To another time
A One-way Ticket
Feels like I committed a crime
Uhh uuuhhuu

[Verse 2]
Throwing stones in the water
Doesn't really bother
But it's kind of healing
To equalize my feelings

[Chorus]
I'm holding a one-way ticket
To another time
A One-way Ticket
Feels like I committed a crime
Uhh uuuhhuu

[Saxophone solo]

[Bridge]
Holding a One-way ticket
Holding a One-way ticket
Uhhh uhhuuu
Like there is no turning back
Uhhh uhhuuu
No turning back

[Chorus]
I'm holding a one-way ticket
To another time
A One-way Ticket
Feels like I comitted a crime
Uhh uuuhhuu

[Saxophone solo ending]
